RE: Dominion Energy  
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. See S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that DESC plans to install approximately 16,000 feet of 8-inch steel and approximately 26,500 ft of 8-inch plastic natural gas pipeline along SC-9 starting at Shad Row and extending to Camp Swamp Road in Longs, South Carolina. The project will serve existing and future commercial and residential customers in the Longs area.

Dominion Energy anticipates that construction will begin later this month and that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the South Carolina Office of Regulatory Staff of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in blue ink that reads "Matthew W. Gissendanner".
